

Group Services Action Committee  
Chaired by: Rachel B., Area Secretary

Saturday, August 21, 2021

Seven members were present. We are working on a survey to distribute to groups and districts that have not had representation at Area Assembly in several years, to see if there is anything we can improve on our end to encourage them to come to Assembly. We will also be hosting the Assembly workshop in April 2022, and hopefully will be able to conduct a partial Assembly/AWSC group inventory at that time. One of our members volunteered to share part of his service story with the La Treasure Chest (LATC) editor to be shared in the next issue of our newsletter.
