### **Attendance:**

Just a reminder – normally, we pass “the shoe” at Assembly. Remember that you may always mail in a donation. All Donations are greatly appreciated. The Service Arms Contact List is on the website.

Special thanks to all who participated today, particular thanks to Carmen O. and all the GR’s who did a wonderful workshop on “trusting the process.” Thanks also to the action committee coordinators and to those who volunteered to lead the AI-Anon meetings. Particular thanks to our tech team for making this Assembly work so well virtually time and time again! We could not have done it without all of you! I am always grateful to be a part of this Area Assembly as your Alternate Chair. You are teaching me more than words can express!

Just a reminder, after the speaker tonight we will take a ten minute break and then start the night owl meeting. It may not follow the schedule as posted. The last several Assemblies, the night owl meeting has run ahead of the scheduled time.

As many of you know in the past, the Alternate Chair gives out the spirit stick to the district who has the most people in attendance at Assembly. GW has set up a short poll to help us determine the winner. Today, the Spirit Stick goes to District 10.

**The Spirit Stick winner is District 10.**

## **Alternate Chair Report AWSC Meeting, November 7, 2021**

### **The district assignments for 2022 Assembly in January:**

Saturday Morning Meeting: District 2, Danny C.

Saturday Night Owl Meeting: District 15, Danielle H.

Sunday Morning Meeting: District 6, Rebecca P.

**Schedule:** Trial schedule – LA AFG voted to end the trial period of the Assembly Schedule and adopt the new schedule. The Assembly and associated meetings will be held on Saturday and the AWSC meeting will be held on Sunday. The other schedule change we adopted was to continue having Coordinator Reports on Saturday of Assembly weekend and Committee Reports on Sunday.

**Action Committee Assignments:** I have called on several longtime members for input and history behind the Action Committees. I am so grateful to be a part of an organization that has members willing to share their experience and knowledge. I am learning a lot! I will have more information to share at the January Assembly.

### **Upcoming Assemblies:**

A motion was voted on and passed at the August Assembly to continue meeting virtually for the next three Assemblies – November 2021, January and April 2022. I immediately let Jay T., AA Chair, know of this decision. We will continue to stay in touch with AA for future Assemblies. We will meet again virtually in January.
