

Dear Al-Anon and Alateen Groups and Members,

I pray this letter finds everyone together and supporting each other with your experience, strength, and hope. This year has been one of many challenges to each of us. We find ourselves separated and isolated by this ongoing pandemic. We face many challenges, trying to keep our families safe. We need to continue to reach out to each other.

One of my duties as Area Treasurer is to request your support. Our Area Assembly needs the help of its members and groups to cover expenses, including sending our Delegate to the World Service Conference, rental of Archive space, our share of expenses in cooperation with Alcoholics Anonymous, maintaining our website and software up to date, liability insurance, and keeping our state filings current.

We are about to experience our first ever Virtual Assembly! We are growing and expanding. We have been fortunate to add a technological team to make this possible. The Area Officers and Tech Team have worked to bring us together, reminding us that in Al-Anon there is Unity, Harmony, and Serenity to be found.

Please make donations payable to:
