Preparing for Delegate's Report by Tammy M-Transforming Electronic Meetings into AI-Anon Family Groups-A guide (Easy Does it! 😊)

- May Discussion on hybrid (members attending face to face with some members attending via an electronic connection). What spiritual principles would apply?
- Some groups bring ZOOM in to Regular face to face meetings; Concern remains for shut-ins, those who are ill to still be able to attend so hybrid/phone in to remain; concerns about ability to connect in, anonymity and safety, have a back up plan, losing AI-Anon focus meaning talking/sharing, AA affiliations and outside issues brought in; facility not ready to allow face to face meetings as yet; one member shared that another homegroup member moved to Germany but wanted to stay a part of homegroup here; one group decided to add just a phone in only to eliminate distractions during meeting

Preparing for Assembly-Election of Treasurer

Review of CMA. Current Mailing Address-Updated Group records with your district representative

Closing -Encourage between Assembly communication via email-topics, insights, focus for next assembly, follow up
